## LONG-TERM CARE PHARMACY

## We're Ready To Partner With You!

### *A Partner In Drug Therapy*

We work with a consultant pharmacist and our facilities to make sure your residents are receiving the best medication for their needs.

### *Free Delivery*

We provide free delivery and offer emergency delivery services to ensure your residents receive their medication when they need it.

### *Pharmacy Transition*

We provide a comprehensive program for switching over pharmacies so you and your residents don't have to worry about a service interruption.
